

## Child Sexual Abuse Case by Type and by Nature in 2021

### 1) Number of Child Protection Case (CPC) by Type of Sexual Abuse#

<b>Type of Sexual Abuse</b>	<b>2021</b>
Incest	19
Sexual intercourse with relatives	7
Sexual intercourse with non-relatives	133
Other*	300
<b>Total</b>	<b>459</b>

#One or more than one type(s) could be selected under sexual abuse case. Thus, the total number of type may not equal to the total number of sexual abuse case.

\* Please refer to our reply dated 30 March 2022 on the clarification of “other”.

### 2) Number of Sexual Abuse Case by Nature of the Incident

<b>Nature of Case</b>	<b>2021</b>
The incident was considered as <i>a harm/maltreatment to a child</i> in the Multi-disciplinary Case Conference on Protection of Child with Suspected Maltreatment (MDCC) or by all professionals concerned (for cases where MDCC was dispensed with) after the investigation.	407
A child was considered of <i>having a high risk of harm/maltreatment in future</i> though <i>the incident was not considered as a harm/maltreatment to a child</i> in a MDCC or by all professionals concerned (for cases where MDCC was dispensed with) after the investigation.	28
The incident was <i>not ascertained as a harm/maltreatment to a child who was also not considered of having a high risk of harm/maltreatment in future</i> in a MDCC or by all professionals concerned (for cases where MDCC was dispensed with) after the investigation but, with analysis on the concrete information available, professionals considered that the <i>harm/maltreatment incident was very likely to have happened</i> .	13
<b>Total</b>	<b>448</b>
