Sexual intercourse with non-relatives	145
Others forms of sexual activity (fondling, mutual sexual fondling, etc.)	298
Total	454

#One or more than one type(s) can be selected under sexual abuse case. Thus, the total number of types may not equal to the total number of sexual abuse case.

(2) Number of Sexual Abuse Case by Nature of the Incident

Nature of Case	2022
The incident was considered as <i>a harm/maltreatment to a child</i> in the Multi-disciplinary Case Conference on Protection of Child with Suspected Maltreatment (MDCC) or by all professionals concerned (for cases where MDCC was dispensed with) after the investigation.	404
A child was considered of <i>having a high risk of harm/maltreatment in future</i> though <i>the incident was not considered as a harm/maltreatment to a child</i> in a MDCC or by all professionals concerned (for cases where MDCC was dispensed with) after the investigation.	25
The incident was <i>not ascertained as a harm/maltreatment to a child who was also not considered of having a high risk of harm/maltreatment in future</i> in a MDCC or by all professionals concerned (for cases where MDCC was dispensed with) after the investigation but, with analysis on the concrete information available, professionals considered that the <i>harm/maltreatment incident was very likely to have happened</i> .	14
Total	443
