Dear Mr Jason,

Request for access to information relating to the Former Kai Tak Airport Fire Station

Thank you for your request dated 14 November 2023 made under the Code on Access to Information (the Code) through email. You would like to access the structural, foundation, geotechnical records and as-built drawings of the captioned venue.

Please be informed that your application is still being processed. According to paragraph 1.16 of the Code, we will inform you of the latest progress on or before 4 December 2023. Meanwhile, should you have any other enquiries on access to information, please contact Mr CHAK Sze-ho at 2867 4401 or the undersigned at 2867 4029 for assistance.

Yours sincerely,

(Ms Emily CHAN)

for Director of Architectural Services
