Dear Mr Wang,

**Code on Access to Information**  
**Re : Application No. 53/2021**

I refer to your application dated 5 May 2021 seeking access to information in relation to Pak Shek Kok Promenade. Our reply is as follows-

**Question 1**

To what extent is the Pak Shek Kok Promenade affected by the noise from Tolo Highway? Please let me know the length and percentage of the promenade that is near the highway.

**Answer 1**

According to the record, the Leisure and Cultural Services Department (LCSD) did not receive any complaint from users of Pak Shek Kok Promenade (the Promenade) about noise nuisance in last year. Regarding the requisite information on the length and percentage of the Promenade near the highway, the applicant may make reference from the relevant information by making use of Geoinfo Map (<https://www.map.gov.hk/gm/map/>).

**Question 2**

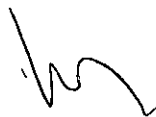

Has the department reviewed or considered the possibility of installing noise barriers to protect the visitors of Pak Shek Kok Promenade? If so please provide details of the review outcome; if not, please explain why.

**Answer 2**

Installation of noise barrier to prevent the noise nuisance generated from public roads is beyond LCSD's purview.

Should you have any enquiry, please contact Mr Austin TUNG, Executive Office (General)2, at 2601 8011.

Yours sincerely,

(Ms Loletta LAU)

for Director of Leisure and Cultural Services
