

Dear Allyson,

I refer to your request for access to information on 22.11.2021 and 1.12.2021.

2. Please find the details of confirmed COVID-19 cases reported since March 2021 by their COVID-19 vaccination status in the table below.

Year 2021*	No. of confirmed COVID-19 cases reported	Fully vaccinated[^]	Not fully vaccinated[#]
Mar	459	0	459
Apr	305	1	304
May	67	2	65
Jun	82	9	73
Jul	61	17	44
Aug	128	65	63
Sep	110	99	11
Oct	129	117	12
Nov (as of 23 Nov 2021)	64	58	6

* Information on COVID-19 vaccination was available from Mar 2021

[^] "Fully vaccinated" refers to cases who had completed the full course of COVID-19 vaccination according to the corresponding recommended vaccination schedule (one dose or two doses schedule).

[#] "Not fully vaccinated" includes those cases who had not completed the full course of COVID-19 vaccination, those who were unvaccinated and those with vaccination status unknown.

3. Thank you for your attention.

(Miss Constance LAM)
for Director of Health
