Notes:

1. It is classified according to their admission qualification. Admission qualification refers to the highest relevant academic qualification possessed by a student on the basis of which his/her admission is decided.

2. Include major non-local qualifications, including the International Baccalaureate (IB), the General Certificate of Education (GCE) Advanced Level Examination, the SAT and the PRC Joint Entrance Examination (JEE).

3. "Others" include sub-degree qualifications and qualification not elsewhere classified, e.g. students who have either completed a full or a part of a bachelor's degree programme in local or overseas institutions, or situations where students are admitted with multiple qualifications being major

4. Figures in brackets denote percentage share to respective totals.

5. Since some UGC-funded programmes are related to more than one APC, their students of these programmes are counted across the APCs concerned on a pro-rata basis. Thus the student numbers of some APCs are decimal figures which are rounded to the nearest whole number. As such, figures may not add up to the corresponding totals. The figure zero represents less than 0.5.

6. '-' denotes 'nil'.

7. Abbreviations for Universities are as follows:

CityU	City University of Hong Kong	HKBU	Hong Kong Baptist University
LU	Lingnan University	CUHK	The Chinese University of Hong Kong
EdUHK	The Education University of Hong Kong	PolyU	The Hong Kong Polytechnic University
HKUST	The Hong Kong University of Science and Technology	HKU	The University of Hong Kong
